

Federal Aviation Administration

Memorandum

Date: September 17, 2015

To: See Distribution List

From:  Susan J. M. Cabler, Acting Manager, Design, Manufacturing, & Airworthiness Division, AIR-100 

Prepared by: Rob Romero, Operational Oversight Policy Branch, AIR-140

Subject: Deviation to FAA Order 8110.103A, *Alternative Methods of Compliance (AMOC)*, for Notification and/or Coordination with the International Field Office (IFO)

Memo No.: AIR100-15-140-DM48

In response to a request from the Aircraft Maintenance Division, AFS-300, this memorandum approves a deviation to FAA Order 8110.103A, Change 1 to remove the requirement for the responsible office to notify and/or coordinate with the IFO on an applicable AMOC proposal or approval letter, as noted in paragraphs 3-8, 3-12, 3-14, and Table 1 of the Order. This deviation does not affect any required coordination with other applicable Flight Standards Service offices noted in the Order.

This deviation will be incorporated into a future revision of FAA Order 8110.103. If you have any questions or comments, please contact Rob Romero, AIR-140, at robert.a.romero@faa.gov, or at (202) 267-1575.
